Company Milestones

2006 ≫ Founded by geospatial industry leader James Street with a vision of empowering utility companies with data-driven insights and configurable solutions that optimize business processes, increase organizational efficiency, and drive workforce optimization.

2007 - 2009 ≫ Become the only provider to implement a solution that allows customers to extract their data out of Smallworld and into an Esri geodatabase.

2010 ≫ Become an Esri Silver Partner

2011 ≫ Launch EpochSync, the industry's only dedicated solution for synchronizing data between Smallworld Version Managed Data Stores and Esri ArcGIS enterprise geodatabases.

2013 ≫ Launch EpochField, an industry-leading solution purpose-built for mobile field workers that integrates geospatial and workforce management.

2014 - 2015 ≫ Implement back-end EpochField integrations for utility customers - SAP and IBM Maximo.

2016 - 2017 ≫ Continue back-end EpochField integration for utility customers – Click Software.

2018 ≫ Receive Esri ArcGIS Specialty designation.

2019 ≫ Expand into Canada.

2020 - 2021	≫	Receive Esri ArcGIS Marketplace Provider award and Esri IMGIS Award – partner award for Solution Alignment in recognition of EpochField.
	≫	Partner with Asperii to provide enhanced integration capabilities between ClickSoftware's "ClickMobile" and EpochField.
	≫	Launch EpochSync Pro, the latest version of the EpochSync software written in the ArcGIS Pro SDK to take advantage of Esri's Utility Network.

| **2022** | ≫ | Form a strategic partnership with SunTx Capital Partners with a focus on building end-to-end mobile workforce management solutions. |

2023	≫	Achieve SOC 2 Type II compliance in accordance with American Institute of Certified Public Accountants (AICPA) standards for SOC for Service Organizations, also known as SSAE 18.
	≫	Sign three EpochField SaaS Solution customers, including a Florida-based electric coop, a Richmond, Virginia utility, and a Nashville, Tennessee utility.
	≫	Ramp leadership team as growth continues.

- Bruce Chumley, Vice President of Sales
- Mike Mitchell, Vice President of Program Management
- Chris Formeller, Vice President of Product Management

≫ Elevate partnership with Esri to Gold, reflective of the deep integration of Esri technologies throughout Epoch Solution Group's solutions.
